Our Beautiful India

India is a large country in Asia. Its capital is New Delhi. India has many languages, festivals and foods, yet people live together as one family. This is called unity in diversity.

Symbols of India

The national flag of India is called the Tiranga. It has saffron, white and green colours with the Ashoka Chakra in the middle. The national animal is the tiger and the national bird is the peacock.

Great Leaders

Mahatma Gandhi taught us truth and non-violence. Dr. A. P. J. Abdul Kalam, the Missile Man of India, inspired children to dream big. Dr. B. R. Ambedkar wrote the Constitution of India.
