The Thirsty Crow

One hot summer day, a crow was very thirsty. He flew here and there looking for water. At last he found a jug with a little water at the bottom.

The Clever Idea

The crow’s beak could not reach the water. He thought and thought. Then he saw some small stones near the jug. He dropped the stones into the jug one by one.

Happy Ending

The water rose higher and higher. Soon the crow could drink it. He was happy. Moral: Where there is a will, there is a way. Think smart and never give up.
